

Dear Student,

Thank you for choosing Don-Tre Driving School. Don-Tre Behind-the-Wheel program is for 17-yr. old & older students. This course provides six hours of training, that the State of New Jersey requires.

The primary purpose of our Driver Education Program is to save lives and reduce motor vehicle accidents. Don-Tre will provide both education and supervised instruction in the fundamental skills of driving. At the completion of the six-hour program the student will acquire a learners permit and will be permitted to drive under the supervision of a New Jersey licensed driver, 21 years or older and licensed for at least 3 years. Driving hours are restricted to 5:01 am to 11pm. They may only transport one passenger unless the driver is accompanied by a parent or guardian and must display a decal on the front and rear license plate while driving.

Don-Tre is owned and operated by Donald & Peter Carpenter. They are certified through New Jersey State Department of Education, NJMVC, and National Safety Council certifies as a driving instructor. In addition to the above qualifications, Don recently retired from teaching, coaching, and Director of Athletics for New Providence School District. He was employed over 46 years and still is very active in the community.
